

2nd INTERNATIONAL BIENNIAL OF CONTEMPORARY ART OF ARGENTINA

Second International Biennial of Contemporary Art of Argentina

With the call for artists from around the world the Second International Biennial of Contemporary Art of Argentina, to be held at the Centro Cultural Borges from 3 to 10 October, launched.

Artists from all disciplines have been invited to exhibit their works in all the rooms of the Centro Cultural Borges.

This international event will convene art specialists, journalists, art critics and galleries worldwide.

A major international jury be part of this Biennial, with names like Professor Gregorio Luque, art historian, prominent artist Vito Campanella, the Americanist Ponciano Cardenas, Gyula Kosice and the Director of the Biennale, Ms. Maria Elena Beneito.

This Biennial will include a great International Exhibition of works, a seminar by Professor Gregory Luque, a Hall on Great International Artists and visits to artists' studios and art museums.

The First International Biennial of Contemporary Art of Argentina, held in 2012 at the Borges Cultural Centre, was attended by 150 artists from 19 countries.

Argentine and international artists are summoned to participate in this International Biennial allowing them to display their works and learn disciplines and styles, in addition to contacting the most important artists of the world.
